#### **4. Future repairs/maintenance:** Nyle reported on a 2" overlay on the front entrance to the 3 way and the cost was estimated at \$72K to 73K. This is above what we will be receiving from taxes in November. Crack sealing was also discussed and would allow another 2 to 3 years before an overlay would be necessary. We currently do not have any bids for crack sealing the paved portion of Panoramic from the entrance to the 3-way intersection.

#### **5. Mark Rubbert road improvement project:** The board will need more information and documentation stating what the project will consist of and a bid that has more information and detail for the proposed work on Panoramic Drive.

#### **6. Zoom account:** Deanna will work on getting the account and setting it up.

#### **7. Questions and concerns:** The next Board Meeting will be held on June 5, 2023 at 7:00 PM via Zoom.

## **8. Adjournment**
